

The British Psychoanalytical Society

INTRODUCTORY LECTURES

AT NSCAP IN 2009-2010

In the Autumn term of 2009 and the Spring term of 2010 the Northern School of Child and Adolescent Psychotherapy at 34-36 Springwell Road Leeds LS12 1AW will host a version of the British Psychoanalytical Society's Annual Introductory Lectures.

The Leeds lectures have been planned to give an introduction to principal psychoanalytic concepts. About half of them will be given as live lectures and the others shown as DVDs of the live London lecture.

There will be two facilitators leading the discussion seminar that will follow each lecture: Graham Ingham and Vic Sedlak who are both senior members of the Society. The lectures and seminars will take place on a Wednesday afternoon from 5.30 to 7.30 pm. They begin on the 7th of October and the first term ends on the 9th of December. The Spring term begins on 13th of January and end on the 16th of March. There will be an upper limit of 25 places and priority will be given to those who seek to attend both terms.

The cost per term is £250 and £450 for both terms. Application forms are available via email from marjory.goodall@iopa.org.uk. Please put Leeds Lectures in the subject field.
