Venue: NSCAP Bevan House 34-36 Springwell Road Leeds LS12 1AW

We cordially invite you to join us for the launch of the northern branch of the Looked-After Children Forum. The Forum will be launched by Mr Barry Sheerman MP, Chairman of the House of Commons Select Committee for Children, Schools and Families. He will address a group of multi-agency, multi-disciplinary practitioners working with looked-after children in a variety of settings.

The free event will take place between 10.00am and 12.30pm on Friday 26th February 2010 at the Northern School of Child and Adolescent Psychotherapy in Leeds.

The Forum will meet quarterly with the aim of encouraging inter-agency and inter-disciplinary collaboration; showcasing good practice, and developing research projects in all aspects of work with looked-after children. The grouping will work closely and collaboratively with the existing LAC Forum network in London.

The Northern LAC Forum is being organised with the support of NSCAP by Stuart Hannah who was a Social Worker before training as a Child and Adolescent Psychotherapist. He was a founding member of the London LAC Forum before moving to work in the north of England. For further information contact stuart.hannah2@ntlworld.com
