NWIDP CONFERENCE

‘Responding to Corporate Panic - creating spaces in organisations’

**Friday, 2 July 2010
9.30 am – 4.30 pm**

Luther King House, Manchester M14 5JP

Organisational life today is often full of pressure and anxiety. This conference will try to move on from diagnosing the ills of modern corporate life to look at some possible solutions derived from psychodynamic thinking. It will provide an opportunity to reflect on conference members' own experience of organisations, in participative workshops and will appeal to psychotherapists, health workers and others concerned with living and working in organisations.

**Vega Roberts
